The ***Route No. 52- Diamond Point*** service is a deviated route which combines the paratransit function with fixed route. This means that buses operate along a fixed route and follow a set schedule. Buses can deviate up to 3/4 of mile on either side of their fixed route to pick up or drop off paratransit eligible customers. After deviating from the route buses will return to the same point to continue their route. Paratransit customers will still make reservations with Clallam Paratransit at 360-452-4511 or 800-858-3747.
